

Blofield Parish Council - Grant Policy

1. Introduction to Policy

A grant is a payment made by Blofield Parish Council (“the Parish Council”) to be used by an organisation for a specific purpose that will benefit the residents of the Parish. The Parish Council awards grants, at its discretion, to organisations that can demonstrate a clear need for financial support in order to benefit the Parish of Blofield by:

- Providing a service to residents.
- Enhancing the quality of life.
- Improving recreation and/or sports facilities.
- Improving the environment.
- Promoting the Parish of Blofield in a positive way.

Section 137 of the Local Government Act 1972 empowers local councils to make such grants to voluntary bodies and charities, where no specific grant making power exists in other legislation and where, in the Parish Council’s opinion, the grant will benefit any part of the Parish or any of its inhabitants.

The Parish Council has a **small grants budget** which can be applied for during each financial year. Those applying are encouraged to do so earlier in the financial year.

- The budget is limited to £1,500 per year from which small grants of around £250 to £300 can be considered.

The Parish Council has also approved a **budget for larger grants** when a community organisation needs some matched funding to support, for example, repairs to infrastructure or new equipment.

- The budget is limited to £5,000 per year from which a grant of up to £5,000 can be considered, or several smaller grants of over £301 can be considered.
- Applications for larger grants should be submitted between 1st April and 31st May each year but the Parish Council has the discretion to consider applications outside this period if the budget has not been fully allocated.

Once submitted, the parish clerks and finance working group will review any application (following due diligence / checks to ensure all the required information has been submitted) and present it to the full Parish Council for consideration.

The Parish Council reserves the right not to allocate larger grants in any one year if the Parish Council does not consider the application/s received demonstrate a clear benefit to the Parish of Blofield. The Grant Policy is subject to Parish Council funds, and there can be no legitimate expectation that it will always be available in the future; Parish Council funds come from precept taxes from the parishioners of Blofield and it may not always be possible to provide grant opportunities.

2. Grant Application Process

Applicants are required to complete a grant application form, available from the Parish Clerk or from the Parish Council website: www.blofield-pc.gov.uk/policies-procedures
